

MTP analyser

- Micro titer plate handling, harvester and SPE handling
- 96 vial / 384 vial pipetting
- Coagulation analyzer
- Semi auto Chemistry Analyzer
- Microplate washer
- Microplate reader
- Large laboratory automate
- XYZ Robot

HPLC

- Analytical systems quaternary
- Prep systems
- Micro bore system
- Ion chromatography
- GPC system
- Specific analyzers (Carbamate, amino acid)
- ELSD detectors
- UV-VIS scanning detector
- Electrochemical detector
- Radio HPLC detector
- Fluorescence detector
- Column oven

Environmental

- AOX and TOX analyzer
- TN analyzer
- Chlorine analyzer
- Sulfur analyzer
- Karl Fischer analyzer
- KF reagents and water standard
- Radioactivity counter
- Personal dosimeter

General instruments

- Spectrophotometer UV-VIS
- DAD spectrophotometer
- High purity water preparation
- ESR analyzer
- Laboratory automate

GC

- GC system
- Filled and capillary columns
- FID / TCD / PDD / PDECD
- Purge and Trap
- Pyrolysis
- Dynamic headspace
- Gas sampling valve
- Nitrogen generator

Spare parts

- HPLC fittings 1/16 "
- Peek Fittings
- Injection and switching valve
- AAS, ICP, ICP/MS cone, nebulizer and torch, RF coil
- Graphite oven tube
- Hollow cathode lamp
- HPLC Piston, seals and Check valves for all brand name
- Splitter
- Solvent degasser

Industrial applications

- Temperature measurement
- Pressure measurement
- PH measurement
- Instrument and data logger for physico chemical parameter
- Thermogravimetry

Services

- Customized systems
- Technical service
- IQ / OQ / PQ

Chemical standards

Sample preparation

- PTFE parts and vessels
- Filter
- Sample mineralisation system
- Mineralisation blocs
- High pressure reactors
- Shaker
- Mini centrifuges, refrigerated bench top centrifuge
- Ultrasonic bath

DIA
INSTRUMENTS

- HPLC system Analytical
- HPLC system semi prep
- HPLC system low pressure gradient
- HPLC system high pressure gradient
- Ion chromatography
- Carbamate analysis
- Amino acid analysis
- GPC
- HPLC fittings , Carbon PEEK Fingertight
- HPLC Solvent degazer
- GC compete system
- HPLC Water and ultra high quality water preparation unit

- TOX/ AOX / EOX / POX analyzer
- Total nitrogen and TOC / TC analyzer
- Total sulfure analyzer
- Chlorine analyzer
- Karl Fisher analyser microcoulometric and volumetric
- Analytical standard** from ANALYTIKA
PRIMARY STANDARD , SOLUTIONS CERTIFIED (CRM), ICP,
ICP-MS, AAS, GC, ION Chromatography

Streck

- Streck laboratories ESR analyser / reagents

HWASHIN technology Co

- Ultrasonic Bath 5,10 and 20 liter Glass pipet ultrasonic Bath
- Shaker and vortexer

ALOKA

- Personal dosimeter PDM for α β γ and neutron measurement.

Multirad

- High sensitivity Radioactivity and contamination Counter
- Multirad Scout II Radioactivity datalogger and Counter

- Please contact us for instrument services
Rainin Varian HPLC Pump service SD-1 , SD 200 /
SD 300, ProStar serie HPLC Pump, Prep system ,
Gilson systems... etc

Our Urgent need is :

SPARE PARTS for AAS, ICP, ICP-MS, MS :

Nebulizer, cone, Plasma torch, RF coil, Graphit furnace,
Hollow cathod lamp, Deuterium lamp, multicatode lamp
for following brand name:

PERKIN ELMER — ARJ / FISON S ARL — VG Instrument / FISON S VG — Elemental, LECO BAIRD — Agilent / HEWLETT PAC-
KARD — SCIEX , Perkin Elmer — SPECTRO — THERMO JARREL ASH — FINNIGAN MAT — INSTRUMENT SAU JOBIN
YVON — PLASMA THERM VARIAN .

- HPLC spare parts, Seals, Check valves
Splitter, Mixer, Pulse dampner , syringe
pump and many more

CHROMOPHOR

- GC instruments and spare for Carlo Erba systems
- Spectrophotometer UV / VIS

- Microplate washer, microplate reader
- Laboratory automate

TOMTEC INC.

- Microplate treatments , 96 channels pipettor
- Harvester, Laboratory automate

- PTFE Labware, High pressure reactors
- Microwave mineralisation systems
- High pressure reactors

- Physico chemical measurment Instrument and
data logger
- Chemical Industry
- Medical industry
- Food Industry
